

CLUB HOPE AFTER SCHOOL PROGRAM

Peace Church has selected Club Hope as their Outreach Project. Club Hope is an after school program at a local Union Gospel Mission that provides after school care and supervision for children with food insecurities. As an extension of this program, we will be providing weekend snacks for children to enhance their food intake. With your help, we will provide Club Hope with bags for many weeks to come.

The Goal is to create an ongoing pantry to help with this need beyond the current school year with approximately 160 bags!

List of Club Hope snack bag supplies and church assignments:

Please Look for a **Use By date of Aug. '24 or later**. Items can be found at Costco.
Amounts are figured for 160 snack bags total.
