Our Speaker...

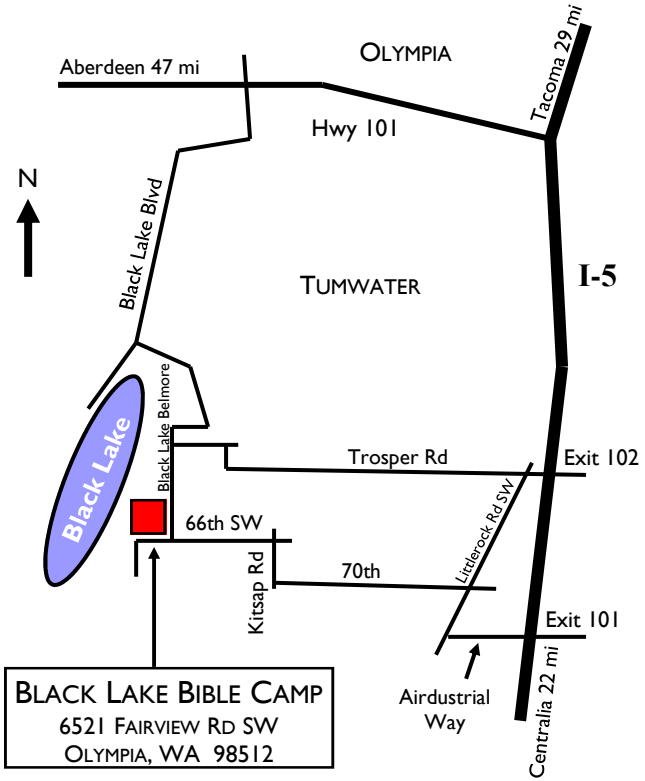

Pastor Daniel Stenberg

Daniel Stenberg is married to Karen and together they have seven sons. Daniel currently serves as pastor of Hope Church at Silver Lake in Everett, WA; Director of the Elevate Youth Convention and sits on the Rooted Advisory Council for the Rooted Gap Year program.

He graduated from Hillcrest in 2001, and travelled to Chandler, AZ as part of an Extended Servant Team. When his time there ended, he moved to Olympia, WA, where his father had been called to Pastor. He met Karen in Olympia, and they were married shortly after.

Shortly after Karen had their second son, Daniel accepted a call to Peace in Calgary, AB as Youth and Young Adult Director. While in Canada, Daniel served as the director of Youth for the CLBA . Three years later, the Stenbergs left Canada so that Daniel might attend Seminary. He graduated from Lutheran Brethren Seminary in 2017 and was ordained as a pastor in the Lutheran Brethren in Sept. 2018.

From Seminary, Daniel took the call to serve Calvary Church in Bergenfield, where he served for seven years. While Daniel has been on his ministry journey, Karen has been on one of her own. She currently serves as the Director of Women's Ministries for the Church of the Lutheran Brethren, which comes with a variety of different responsibilities.

MEN'S RETREAT 2026

November 6-8

Black Lake Bible Camp

Olympia, WA

SEEN

*In a world dominated by the oversaturation of information and influencers, it can be hard to not get caught up in the comparison game. We look at how talented and influential others are and wish we were like them, wish others looked at us the way they do someone else. In the shadows of those we perceive to be great, we can feel unwanted or overlooked. The prophet Elisha understood those feelings as he followed in the footsteps of the great prophet Elijah. At this Men's Retreat we will be spending some time with Elisha as we sit in the truth that though we may feel overlooked, we are **SEEN.***

SESSION 1 - The Call

What calls has God given you? Are you willing to do what we have been called to? In the calling of Elisha we will be challenged and encouraged by how our God works in the lives of his people.

Session 2 - The Mantle

With the Call comes responsibility and with responsibility can come doubt. Do we feel qualified? How do people see us? Who do they compare us to? Are we destined to fail? May Elisha's reception of Elijah's mantle be a blessing to us as we sit in the recognition of our own mantles and our unworthiness of them.

Session 3 - The Oil

Elisha is put in a similar situation as Elijah was before him. Will God work in the new the same way he worked in the old? Is Elisha truly the prophet of God? The prophet was continually beset by doubters. And so are we. May Elisha's story serve as an example of how God is still at work in his people.

Session 4 - Opened Eyes

Sometimes it's hard to see how God is at work. God is never still. He is moving for the purposes of his Kingdom and out of love for his people. Elisha is in a hard spot. How will God move, and how will God's action in Elisha's life be an encouragement to us?
